ANNUAL REPORT FOR THE YEAR 2022 - 2023.

Respected President and Dear Friends,

It is privilege to place before you on behalf of the Executive Committee the working report of the NGO for the last Financial Year 2022 - 2023. As you all know, more than four decades ago, Janasiksha Prochar Kendra started its journey with the avowed objective of eradication of the illiteracy of the rural poor in addition to rendering other developmental services to the underprivileged sections of the society with a special focus on women and children and destitute senior citizens in difficult circumstances. During all these years, the organization has expanded its activities manifold - both in rural and urban areas - including red light areas, with support from Central and State Governments, Welfare Boards, international & national donor agencies, corporate sources and individuals. I give below a brief account of our engagement during the year under report.

1. PUBLICATION WORK:

The sale of publication materials is one of the avenues of the organization to generate funds. In addition to reprinting & TLMs for pre-school education, and charts, including in Hindi and Urdu have been published and you will be glad to know that they have been appreciated by all concerned as before. More stress on publication work needs be given so that improvement in sale proceeds and literacy movement are achieved in the coming years.

2. AUGMENTATION OF ORGANIZATION INCOME:

In order to increase our own income we try to generate our income from agriculture and pisciculture at our rural base.

I state in brief below the current activities in our urban areas including red light areas as well as at our rural base, where we have a grand infrastructure, in Jangipara, Hooghly - 712404. Also we have a grand infrastructure in our urban working area at Salt Lake. There are well decorated building for rent. The rent comes from a multinational Corporate House and used for the development of these projects.

3. CURRENT ACTIVITIES:

(I) IN URBAN AREAS:

OPEN SHELTER:

With effect from 1st April, 2011, we have been running an Open Shelter under the "Mission Vatsatlay" formerly known as Integrated Child Protection Scheme (ICPS) at CK - 6, Sector - II, Salt Lake City, Kolkata - 700091 sheltering 25 girls in vulnerable life situation. We provide them all promotional incentives like school, education, coaching support, counselling, health care, games and sports, and cultural development with a view to mainstreaming them in future. All child inmates were admitted in formal school during the year under report. The project is funded by State Child Protection Society, Govt. of W.B. and monitored by the District Child Protection Society, North 24 Parganas. The number of inmates as on 31.03.2023 is 25 (Twenty Five).

The children are encouraged to participate in the classes of drawing, craft, yoga, dance and music. In these activities the children are showing keen interest both in Urban & Rural Projects. In this year our inmates of these projects won prizes from many competitions of cultural activities held by various organization.

ICDS (INTEGRATED CHILD DEVELOPMENT SCHEME) IN RED LIGHT AREAS

About 960 kids of red light area in the age group of 0 to 6yrs. have been admitted in all 28 Anganwadi centres opened at Seth Bagan, Sonagachi, Rambagan, Jorabagan and Bowbazar (all red light areas) with grant-in-aid from the ICDS, Government of West Bengal. In these centres, special emphasis is given on cleanliness, habit formation and providing information about nature and environment. Besides, they are provided with 6 services, viz., pre-education, nutrition, immunization, health care, health check-up, and referral service. Each centre is managed by one AWW, assisted by an AWH. Supplementary nutrition is arranged for them along with expectant mothers. Immunization programmes including pulse polio are attended. Efforts are being made to open more centres in red light areas. The programme is funded by the Department of Women & Child Development and Social Welfare, Government of West Bengal.

(II) IN RURAL AREAS: OLD AGE HOME

Due to rapid social changes in our society, nuclear families of today are increasingly becoming reluctant in taking care of the elderly members of the family. For care and nursing which these people need most at the fag end of life, we have been running the Old Age Home since 1999-2000 to provide shelter to 25 elderly persons – male and female. The Project is funded by the Ministry of Social Justice & Empowerment, Government of India. During the year under review, with new admissions, reintegration into family and deaths. The number of inmates as on 31st March 2023 is 27. Out of this 27 male inmates 6 and female inmates is 21. At the whole year 6 inmates were admitted 2 inmates were restored and 1 inmate were transferred to other Home in the whole year i.e. 22-23. The main problem of running the Home is the elderly persons suffering from various illness. The scheme has not supported the cost of the treatment of these typed illness. Till date 102 destitute Senior Citizens we have been restored successfully to their family through family counseling. Out of these 102 inmates, Male candidate was 40 and female candidate was 62.

Apart from these we would like to state that since 2014-15 to 2022-23 we yet not received any grant-in-aid from the Ministry. We have already submitted all the documents regarding this matter to the Ministry. We are going through severe financial problems. But we hope that the problem is solved out very soon.

Swadhar Greh Unit-I

Mainly due to population explosion, a sizable section of our society still lives below the poverty line in spite of economic growth at reasonable rate after attainment of Independence. On account of reasons ranging from economic instability of the family to breakdown of joint family system and to social bias, many of our families fails to extend emotional and physical support to the extended members of the family, especially for women in difficult circumstances like widows, poor and deserted women, women ex-prisoners, victims of sexual abuse and crime including those trafficked and rescued from brothels, women rendered homeless by natural calamity, etc. These marginalized women are compelled to lead a life of sub-human existence ending up as beggars or prostitutes for their own survival and sometimes for their dependent children also. To mitigate the sufferings of these unfortunate women, the NGO has been running Swadhar Home, funded by the Ministry of Women and Child Development, Government of India in 2005 - 2006. The capacity of the Home is 50 with 52 women living as on 31.03.2023. Out of these 52 inmates till date three (3) inmates successfully restored to their family, one (1) inmates to Bangladesh to their family with the help of Task Force of Directorate of Child Rights and Trafficking, Govt. of West Bengal and one (1) inmate was transferred to other home as per order of concerned authority.

The scheme has gone a long way to rehabilitate women in difficult circumstances - socially and economically - through normal channels of development like counseling, skill up gradation, need-based education, personality development through behavioural training. They are regaining here what they have lost elsewhere and will have a fresh lease of life. Two (2) inmates of SWADHAR GREH (Unit - I), has been rehabilitated and reunited with their families in the year 2021-22. Now they are successfully reinstated in mainstream life. Now the Project is funded by Department of Women & Child Development and Social Welfare, Govt. of West Bengal and Ministry of Women & Child Development, Government of India in Central share and State share.

Swadhar Greh Unit -II:

The Home was set up in December 1991 named Short Stay Home with grant-in-aid from the Central Social Welfare Board & West Bengal Social Welfare Board for the deserted and socially estranged women/girls in the age group of 15 - 35 for re-integration into the family or rehabilitation in a meaningful way through education, skill up gradation and counselling. The capacity of the Home is 30. Now the Short Stay Home has been converted to Swadhar Greh Unit II since the last quarter of the financial year 15-16 i.e. January, 2016 to March, 2016. Follow-up action is taken to see that their rehabilitation is stable. The number of inmates as on 31.03.2023 is 29.

CRECHE

The project had started from the year 1991. At that time 19 Creches had been running. From the beginning that Creche project was funded by State Social Welfare Board, Government of West Bengal, the Board is an autonomous body. From the last quarter i.e. January, 2016 to March, 2016 of the financial year 15-16 the Project is handed over to the ICDS, Government of West Bengal. With funding support from the ICDS (Integrated Child Development Services), JPK has been running two (2) creches at Ganesbati and Prasadpur Bhumijpara in Jangipara Block in Hooghly District, sheltering 25 kids each under the care of two (2) Mothers and two (2) Assistants. Throughout the year they are provided with nutritious food and health care, including first lessons in habit formation and pre-school education through models, charts and pictures narrated in rhymes in vernacular with matching facilities of playing with toys, etc. The demand from the BPL and poor families being always high, the crèches remain full to capacity all the year round. The real fact is due to unbridled rise in the prices of daily necessities it has become practically most difficult for the NGO to run the Crèches and provide best quality service to all beneficiaries. It is our earnest request to Government of West Bengal and Government of India that if you reconsider the running budget and revise the budget as per market price so we run the project with our best efforts. Now the project is funded by Department of Women & Child Development and Social Welfare, Government of West Bengal.

HOME UNDER J.J. ACT: (For CNCP and Red Light Antecedent Girl)

Under the Government of West Bengal, Department of Women and Child Development and Social Welfare Notification No. 2118/1(200) SW dt. 22.05.1998, we established a Home with capacity of 25 CNCP girls with care and rehabilitation through normal channels of development like education, counselling, health care, skill upgradation, games and recreation. The no. of girls residing in the Home was 142 as on 31.03.2023. Till date 125 CNCP Girls has been restored to their family and transferred 13 girls to other home. From our end we regularly follow up the restored girls as per J.J. Act guidelines.

We have already got approval from PAB, Govt. of India for Unit of 50 inmates in 2015. We are trying our best to enhance the no. of inmates from 25 to 50 as per Govt. Rules and Act. Consequent upgrading of the building to accommodate further 25 inmates Govt. has given us assurance to construct accommodation for the enhance girls in collaboration with SCPS, West Bengal & DCPS, Hooghly and Women & Child Development and Social Welfare, Govt. of West Bengal. We have already submitted the proposal for enhancing the project to Govt. of W.B. But we are yet to receive any concrete assurance from the Govt. Extension, renovation and modification of JJ Act building have been already started at the particular project site at Vill. & P.O. Baganda, P.S. Jangipara, Dist. Hooghly - 712404 from the month of November, 2021. Now we have a accommodation for 35 girl child in our project. But after enhancement of building we can accommodate above 50 inmates at a time for particular the CNCP girl Project under J.J. Act under "Mission Vastlaya" formally known Integrated Child Protection Scheme.

COTTAGE

The Government of West Bengal has sanctioned a Cottage with a capacity of 25 destitute girls with effect from March, 2008. As on 31.03.2023 Five (5) inmates are staying in the Cottage for care, protection and empowerment through natural course of development like school education, coaching, counselling, health care, and cultural development. All the inmates are going to school. The project is funded by the Department of Women & Child Development and Social Welfare Government of West Bengal through Directorate of Child Rights and Trafficking, Government of West Bengal. Till date we have restored thirty one (31) girl child to their family for their future endeavor.

HEALTH SERVICES

To maintain regular health check-up, one qualified medical practitioner is visiting the Home once a week. All the girls, women and destitute senior citizens of different projects have health cards. In critical cases, patients are taken to government hospitals for proper treatment. Also specialist doctors come from Ophthalmologist from Apollo Multispecialty Hospital under the project of Billion Biting Hearts Foundation. Psychiatrist from District Sadar Hospital and we also appointed a neuropsychiatric from organization end. Also General physicians from Block Hospital at Jangipara, Sub-divisional hospital at Srirampur and District Hospital in Chinsurah visit the Home once in a month. We also collaborate with Apollo Multispecialty Hospital under the project of Billion Biting Hearts Foundation and arrange for health checkup mainly for those destitute senior citizens on 28.04.2022, 04.07.2022, 25.01.2023 in year. In the 2022-23 some special doctor of Geriatric medicines visit from Apollo Hospital. We have also arranged a camp for Booster Doze collaboration with Jangipara Rural Hospital on 30.07.2023. We have also arrange HIV Test as per NACO guidelines for women who are leaving in difficult circumstances with the collaboration with West Bengal State AIDS Prevention and Control Society for Swadhar Greh Unit I and II on 28.01.2023.

VOCATIONAL TRAINING CUM PRODUCTION CENTRE

In the rural complex, we arrange vocational training in Rakhi, Rotcan, chumki knitting, saree cutting, button making, handicraft etc., for the inhabitants with aptitude and eagerness to enable hapless women to stand on their feet in future. A new course has already started for beautician and preparation of Papad and Bori, tailoring, phenol making etc. In these vocational training 19 inmates of Swadhar Greh are engaged in various type of training.

GAMES AND SPORTS/RECREATION

Every year it is seen that the girls take part in outdoor games in the open field and in children's park attached to the complex. They enjoy the park and the games very much. They also delight themselves with indoor games and TV watching. Like previous years, annual sports were held on 16.11.2022 with prizes distributed amongst the winners and food packets to all. It was arranged by District Child Protection Unit of Hooghly for recreation of Inmates of the CCI project in presence of protection officer

(Institutional Care) of District Child Protection Unit, Hooghly from Office of District Magistrate, Hooghly. In our urban project of open shelter, the Controller of Vagrancy can not arrange a annual sports, due to the Pandemic situation at that time. District Legal Service Authority, Hooghly also celebrate the children's day at our Rural field project at Baganda, Jangipara. They arranged some competition like drawing, slogan, essay etc on 14.12.2022. They also distributed the prizes among the destitute children and we also organized a cheerful programme for the children by the children and of the children.

LIBRARY

The Library of our rural infrastructure has a stock of about 250 books. The boarders have the facilities of reading books, magazines, newspapers, and periodicals in the Central hall attached to the library. A Novel Library was started by the children themselves in collaboration with Crayons of Hope Foundation. Also we have been able to rope in willing partners to donate books to our library. We are thankful also to Mundalika Panchayat and Jangipara Panchayat Samity as well as other agencies for donating books to the Library. Also we thankful to other donors for donating various types of books for children and adult people.

CLOTHING DISTRIBUTION

Like previous year we arranged a programme for distribution of clothes among the destitute inmates in our rural site at Baganda. The Distribution ceremony was conducted in the presence of Govt. officials and our Executive Members on 03.05.2022 (at the time of Akshay Tritiya), 29.09.2022 (at the time of Durga Puja). At the time in the winter clothing distribution ceremony with gracious presence of dignitaries of Police & Pachayats and other Government Officials. We have also arrange our clothing distribution program in our Open Shelter at Salt Lake on the occasion of Paila Baisakh on 15.04.2022 and on the occasion of Durga Puja on 24.09.2022 and in the winter season we distributed winter clothing towards the inmates of Open Shelter on 25.12.2022.
